A Message From Our Executive Director

Dear Nine Lives Family,

This year has been one of extraordinary growth for Nine Lives Foundation. **Our spay/neuter program grew by 54%** compared to 2023, helping reduce unwanted litters and promote healthier cat communities. **We also grew our Trap-Neuter-Return (TNR) program by 100%** for the second consecutive year, leading the area in this critical service. **We're proud to collaborate with over 50 rescues**, offering best-practice, low-cost medical services and saving lives together. **Adoptions rose by 38%**, and as a **certified No-Kill Shelter** we were able to **increase intake by 43%**, allowing us to save even more cats in need! None of this would be possible without your unwavering support.

Let's continue saving lives, together!

Sincerely,

Liam Montgomery
Executive Director
